

## Physician Volunteer Registration Form 2010 Student Athletic Physicals

Each year, TCMS teams with AISD Student Health Services to provide free athletic physicals to AISD students who have financial restrictions and other barriers to health care. In 2009, 86 physicians volunteered their time to provide physicals to over 890 students. The physical exams are given over 4 nights to middle school and high school students.

Liability protection is provided by the TCMS Foundation, a 501(c)(3) charitable organization that is covered by the Charitable Immunity and Liability Act. Because both the physician and patient acknowledge up front that care is *pro bono*, the Charitable Immunity Act protection applies to participating physicians.
