OUR BODY

THE UNIVERSE WITHIN

Actual Human Bodies

See the human anatomy like you have never seen it before. This breathtaking exhibit is educational, scientific and revealing. Our Body: The Universe Within literally as well as figuratively goes "under the skin" exposing the complexity of the human body. You will never look at your body the same way again!

Our Body: The Universe Within is now on display at The Stark Center, located inside of DKR-Texas Memorial Stadium at the University of Texas at Austin. For more information on this world-renowned exhibition, please visit
