

# How will YOU help solve the opioid crisis?

## **Get Waivered Texas!** **SOLVING THE OPIOID CRISIS THROUGH INTERVENTION AND BUPRENORPHINE TREATMENT**

**Buprenorphine therapy is highly effective for treating Opioid Use Disorder, and it can be offered by any prescriber in any practice setting.**

Join **Dell Medical School** and the **Texas Get Waivered Program** for an informative and interactive presentation about the opioid epidemic, its implications on Texas healthcare, and how attendees can utilize buprenorphine to help this highly vulnerable, stigmatized, and underserved patient population.

**Saturday, March 30**  
**8am – 5pm**  
**CME, BREAKFAST, AND LUNCH PROVIDED!**

Dell Medical School  
Health Learning Building (HLB) Auditorium  
1501 Red River Street, Austin, Texas 78701

For complete information and to register: **[www.AustinBup.com](http://www.AustinBup.com)**

ALL physicians, medical residents, physician assistants, and advanced practice nurses are highly encouraged to attend. This training meets criteria to receive an X-Waiver from the Drug Enforcement Agency, and the application will be submitted prior to leaving the training!

The Joe R. and Teresa Lozano School of Medicine is accredited by the Accreditation Council for Continuing Education to provide CME for physicians. This activity is approved for AMA PRA Category 1 Credit™. Funding is made possible (in part) by grant no. 5U79TI026556-03 from SAMHSA, with additional funding from the Centers for Disease Control and Prevention, and the U.S. and Texas Departments of Health and Human Services. The views expressed in written conference materials or publications and by speakers do not necessarily reflect the official policies of these entities; nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. or Texas Government. AAAP is the Data Sponsor for this training.
