

Program Features

- Spanish Meducation® is a practical 8-week medical Spanish program.
- Established with the Travis County Medical Society in 1994
- Designed for all health care professionals
- Development of beginning through advanced skills in general Spanish for medical purposes
- Communication is the main goal. Grammar is not the focus.
- No textbook is required. Handouts are provided at no extra cost.
- Level 1 students are eligible for a free booster lesson following an absence.

NOTE: Not all levels are offered each semester.

Class Schedule

- ☰ **Please note:** 1) *Each class meets once a week from 6:30-8:30 p.m.*
2) *The course level names and numbers indicate entry ability in general Spanish. If you are a true beginner in general Spanish, level 1 is for you.*
3) *Class size is limited to 12. First-registered, first-placed.*
4) ***NO CLASSES during SPRING BREAK (week of March 18th).***

Level 1: True Beginner	Monday	March 4 – April 29
Level 2: Beginner-Plus	Tuesday	March 5 – April 30
Level 3: High Beginner	Wednesday	March 6 – May 1
Level 4: Intermediate A	Wednesday	March 6 – May 1
Level 7: Advanced B	Tuesday	March 5 – April 30

Course Descriptions

- Level 1: alphabet, pronunciation, vocabulary gender, pluralization, parts of the body, pain assessment, diseases and symptoms
- Level 2: review of level 1 plus medical history and emotions
- Level 3: review of parts of above levels plus internal organs, life style and hospital discharge
- Level 4: review of parts of above levels plus life style, nutrition and physical exam
- Level 7: review of parts of above levels plus musculoskeletal system, current medical issues and first aid

NOTE: For course selection guidance and other questions please contact Program Director Jill Snyder, Ph.D., at jld@prismnet.com or 512-835-7612.
