

Physician Volunteer Registration Form 2017 Student Athletic Physicals

Each year, TCMS teams with AISD Student Health Services to provide free athletic physicals to AISD students who have financial restrictions and other barriers to health care. In 2016, more than 100 physicians/residents volunteered their time to provide physicals to over 1150 students in need. The physical exams are given over four nights to middle school and high school students. For many students, this is the only well visit they will have during the course of a year.

Liability protection is provided by the TCMS Foundation, a 501(c)(3) charitable organization that is covered by the Charitable Immunity and Liability Act. Because both the physician and patient acknowledge up front that care is *pro bono*, the Charitable Immunity Act protection applies to participating physicians.

To volunteer for the 2017 physicals, please complete the information below. (please print)

Name: _____ Specialty: _____

Phone: _____ Email: _____

Fax: _____

Select the location(s), shift(s) and station(s) where you are willing to provide your services:

Tuesday, April 18—Delco Center, Middle Schools (Hwy 183 & Manor Rd)

5:15-6:45pm: CLEARANCE
